Independent Retail News

3 simple steps to using the Independent Retail News app

1 **Open the app** – to view the magazines and latest news stories, simply open the app and download the issues now for **FREE**.

2 **Reading the digital magazines and supplements** – press the magazine or supplement cover you wish to read. Swipe from right to left to view the next page. You can read your issue in portrait or landscape. Zoom in or zoom out by using your thumb and finger to expand and pinch the screen. Press anywhere on the page to show a top and bottom navigation bar - now you can skip pages or exit back to the main app view. To read your issues offline, press "download", this will then be stored in your downloads.

Go back to app

Tap to share, search & more

Swipe to turn the page

Pinch to zoom

Switch to landscape for double page spread

Continue to Edition

Tap to bring up edition page navigation

Swipe to view more

Tap to select

Pinch to zoom
